TUESDAY CONTINUED

T.R.U.C.K. - it

Free 6 - week course

This newly designed program will cover a range of skills that can be used in both the work place and the home and will demonstrate how those skills can be used any of the range of modern devices – a desktop PC, laptop, tablet or smart phone

Students will learn –

- How to find and use
- Wi – Fi along with cloud technology to store and share files
- How to search the internet effectively and how to judge the credibility of sites and information retrieved in a search
- How to pay bills online and access Government websites
- How to set up and use email accounts

N.B. The course will be responsive to student requirements, so will be flexible in what is covered

Cost: \$20 *(refundable if 75% of sessions are attended)
Tues: Term 3
Time: 9.30am – 12noon

This foundations skills course is funded through the Government of South Australia's *WorkReady initiative*
